

2010 Tractor Rules

Tractor General Rules

1. Be a Professional.
2. Pullers must be 18 years of age or older to participate. Minors must have parent or guardian consent. No one under the age of 18 will pull outside the Farm Stock Classes. No one younger than 12 years of age will be allowed to pull. Due to insurance reasons, a birth certificate will be required to verify the age of minors.
3. All pulls will be made from drawbar.
4. Drawbar height MAXIMUM will be 20" to the top of the drawbar.
 - a. All pullers must furnish their own twisted clevis or a 3" hoop hole.
 - b. Clevis must be fastened to the drawbar with a 3/4" or larger bolt and safety pin.
5. One fuel type only.
6. Pulling order will be determined randomly by draw. All pullers must pull in assigned order within three minutes or be subject to disqualification.
7. Operator must remain seated and drive in a safe manner.
8. Tractors must operate in a safe manner at all times. No chain jerking or hot-rodding allowed.
9. All tractors must be in neutral or park when being hooked or unhooked from sled. "Hands up" signal by the driver will be used to indicate this is being followed.
10. Tractor must remain within the boundaries of the track. Failure to do so will result in disqualification.
11. Tractor must be occupied while it is running.
12. Loss of any weight or part of the tractor will be grounds for disqualification.
13. All pulls must start with a tight chain and be straight in-line with the sled.
 - a. Contestants will have two consecutive attempts and 100 feet to start the sled.
14. All drivers pull at their own risk. Championship Pulling Series, Inc. and Promoter of the event shall not be held responsible for any accident or injuries.
15. Class pulling order and drivers order will be posted.

16. Judges have the option to reposition any puller in a class and adjust class running order based on class participation.
17. Violations of any rule shall constitute a disqualification. Arguing with judges will not be tolerated, and will result in immediate disqualification.
18. One driver and one pit person per vehicle.
19. First puller in each class will have option to pull again. This decision must be made by the driver immediately following their first pull. If a re-pull is decided, driver and tractor must immediately return to the lineup to pull, and will pull in the 4th position. No adjustments are allowed between re-hook, or disqualification will result.
20. Spot checks will be made during the season.
21. Tractors will be stopped if front wheels are more than 24" off the ground.
22. All tractors must scale prior to hooking to sled, immediately prior to the start of your class.
 - a. Once weighed, you are staged. Leaving the staging area is not allowed.
23. NO BEER OR ALCOHOL IN PIT!!!! No consumption of alcohol until all pulling by contestant is completed.
24. Track officials have the right to move a puller to a different class.
25. A driver's meeting will be held prior to event start time.
26. Violations of any rule shall constitute a disqualification. Arguing with judges will not be tolerated, and will result in immediate disqualification.
27. **ALL GENERAL RULES APPLY TO EVERY CLASS!!!**
28. **All JUDGES' DECISIONS ARE FINAL!!!** Failure to obey track officials will result in disqualification and may lead to removal from event.

Farm Stock Rules- Contact Rod McGee (715-491-0659)
