Re: Kraemer Mining and Materials
Section 17, town of Osceola – James Rochford, land owner

Dear Mr. Stroshane:

As per your letter dated February 11th, 2009 regarding Kraemer Mining and Materials, on February 11th, 2009 Kraemer Mining withdrew the request to rezone approximately 21 acres of land owned by James Rochford. Since the application has been withdrawn, no public hearing will be scheduled.

As for the Special Exception Application, it will need to be modified if Kraemer Mining wishes to pursue that permit. Should Polk County receive a new or modified Special Exception Application, the town of Osceola will be given a notice of the hearing date. At the hearing, town officials have an opportunity to present their findings to the Land Information Committee. The time and location of the hearing, should one be requested, will be determined by the Land Information Committee.

Should you or any of the town officials have any other questions, feel free to contact me.

Sincerely,

Gary Spanel
Zoning Administrator
